

N° 11

(For 3 sound sources with differing events)

The score consists of eight systems, each with three staves labeled s1, s2, and s3. The notation is as follows:

- System 1:** s1 has a small circle, an 'X', a small circle, a large circle, a small circle, an 'X', a diamond, an 'X', a diamond, a large circle, an 'X', a small circle, a diamond, a small circle, a diamond, and a small circle. s2 has a small circle, a small circle, an 'X', a large circle, a diamond, a diamond, and a diamond. s3 has a horizontal line from the first 'X' to the first diamond, and another from the first diamond to the second diamond.
- System 2:** s1 has an 'X', a diamond, an 'X', a large circle, an 'X', a small circle, an 'X', a diamond, a small circle, an 'X', a diamond, a small circle, an 'X', a diamond, and a diamond. s2 has a diamond, a small circle, a diamond, an 'X', a diamond, an 'X', a diamond, a diamond, a small circle, a diamond, a small circle, a diamond, and an 'X'. s3 has a horizontal line from the first 'X' to the second diamond, and another from the second diamond to the third diamond.
- System 3:** s1 has an 'X', a diamond, a small circle, a diamond, an 'X', a small circle, an 'X', a diamond, an 'X', a diamond, a small circle, an 'X', a diamond, a small circle, an 'X', and a diamond. s2 has a diamond, a small circle, a diamond, a large circle, an 'X', a small circle, a diamond, an 'X', a diamond, an 'X', a small circle, a diamond, a small circle, a diamond, and a small circle. s3 has a horizontal line from the first 'X' to the second diamond, and another from the second diamond to the third diamond.
- System 4:** s1 has a small circle, an 'X', a diamond, an 'X', a diamond, a small circle, a diamond, a small circle, a diamond, a small circle, a diamond, a large circle, a diamond, a small circle, a diamond, and an 'X'. s2 has a diamond, a small circle, an 'X', a small circle, an 'X', a diamond, an 'X', a diamond, a small circle, an 'X', a diamond, a small circle, a diamond, a small circle, a diamond, and a small circle. s3 has a horizontal line from the first 'X' to the second diamond, and another from the second diamond to the third diamond.
- System 5:** s1 has a small circle, a diamond, an 'X', a diamond, a small circle, a diamond, an 'X', a diamond, a small circle, a diamond, an 'X', a diamond, a small circle, a diamond, an 'X', a diamond, and an 'X'. s2 has a diamond, a small circle, an 'X', a large circle, an 'X', a small circle, a diamond, a small circle, an 'X', a diamond, a small circle, an 'X', a diamond, a small circle, a diamond, and a diamond. s3 has a horizontal line from the first 'X' to the second diamond, and another from the second diamond to the third diamond.
- System 6:** s1 has a diamond, an 'X', a diamond, an 'X', a small circle, a diamond, a small circle, a diamond, a small circle, a diamond, an 'X', a diamond, a small circle, a diamond, an 'X', a diamond, and a small circle. s2 has a diamond, a small circle, an 'X', a large circle, an 'X', a small circle, a diamond, a small circle, an 'X', a diamond, a small circle, an 'X', a diamond, a small circle, a diamond, and a diamond. s3 has a horizontal line from the first 'X' to the second diamond, and another from the second diamond to the third diamond.
- System 7:** s1 has a diamond, a small circle, a diamond, a large circle, a diamond, a small circle, a diamond, a small circle, a diamond, a small circle, a diamond, an 'X', a diamond, a small circle, a diamond, and a small circle. s2 has a diamond, an 'X', a large circle, a small circle, an 'X', a diamond, a small circle, an 'X', a diamond, a small circle, an 'X', a diamond, a small circle, a diamond, a large circle, a diamond, and a small circle. s3 has a horizontal line from the first 'X' to the second diamond, and another from the second diamond to the third diamond.
- System 8:** s1 has a large circle, a diamond, a large circle, a diamond, a small circle, a diamond, a small circle, a diamond, a small circle, a diamond, a small circle, a diamond, a small circle, a diamond, a small circle, a diamond, and an 'X'. s2 has a small circle, a diamond, an 'X', a diamond, an 'X', a small circle, an 'X', a diamond, a small circle, a diamond, an 'X', a diamond, a small circle, a diamond, an 'X', a diamond, and a diamond. s3 has a horizontal line from the first 'X' to the second diamond, and another from the second diamond to the third diamond.

Performance Notes

- 1) Each event should be as short as possible with these exceptions:
  - a) Symbols that are larger than normal. These should be played for a natural duration (i.e. natural ring, bow stroke, breath, etc)
  - b) Symbols stretching across more than normal space. These should be continuous tones throughout their length
- 2) All events should be allowed to fade completely away before the next event is played
